By: Janice N. Segarra Rosado
Administrative Secretary III
Strategic Plan

Strategic Pillar 1: Excellency and Academic Innovation

GOAL 1
Guarantee the continuity of excellent teaching in recognized and accredited programs.

GOAL 2
Offer innovative and relevant academic programs focused on the needs of the main constituents of the institution and society.

GOAL 3
Encourage research and academic creation.

Strategic Pillar 2: Student Success

GOAL 4
Diversify and increase university enrollment by 12%.

GOAL 5
Innovatively and effectively meet the students’ learning needs.

GOAL 6
Promote a collage environment that stimulates student satisfaction and their sense of belonging to the university.

Strategic Pillar 3: Sustainability and Resilience

GOAL 7
Increase the proportion of external funds to complement the institution’s general budget.

GOAL 8
Improve infrastructure and foster operational resilience.

GOAL 9
Provide a greater link with industry, the government, and the institution’s interest groups.

Strategic Pillar 4: Technology and Administration

GOAL 10
Maximize the potential of human resources in the institution.

GOAL 11
Promote the continuous improvement of academic and administrative operations.

GOAL 12
Use emerging technological resources to maximize the institution’s operational efficiency.
